

## Diaper Cover Comparison

### Super Whisper Wrap

- Will fit with just about any type of cloth diaper – flat or fitted.
- Can be washed industrially – is very sturdy!
- Easy care – hot wash and dryer are fine. Is somewhat more prone to detergent residue problems, due to the extra layer of polyester.
- Parents love this cover because the laminate layer is hidden inside the layers of polyester and is not in contact with baby's skin.
- Available in white and fun, colorful prints
- Excellent all around easy to use, easy to wash cover.

### Super Brite

- A gusseted cover that makes it easy to contain messes with any type of cloth diaper – flat or fitted.
- Works well on hard-to-fit or long and skinny babies.
- Features a special newborn size with an umbilical cord cut-out that fits teeny tiny babies!
- Single layer of polyester with lamination means that you can simply wipe clean and re-use.
- Easy care - machine wash and dry at high temperatures. Crazy bright colours and a funky retro print.

### Polar Bummi

- A premium diaper cover with superior moisture vapour transmission properties. Over three times more breathable than other diaper covers!
- Especially comfortable for nighttime diapering and for babies with sensitive skin.
- Gusseted to provide coverage with any type of cloth diaper – flat or fitted.
- Very easy to care for – can be washed and dried with your diapers.
- Available in a soft, creamy beige.

### Bummi Original

- A favourite with diaper service customers - the fit is legendary. In some circles this diaper cover has cult status.
- 6 sizes for an excellent and very specific fit with a flat diaper only.
- Slim, trim, lightweight nylon with a mesh interior to create airflow and reduce slippage of diaper within cover.
- Soft and stretchy lycra leg bindings.
- Available in white.
- Needs special attention in laundering – wash in lukewarm water, air dry only.

### Swimmi

- Our very chic swim pant – a Bummi Original with a cotton exterior, used without a diaper inside

### Whisper Pant

- Pull-on design – fabulous with fitted diapers!
- Lightweight nylon – no tearing or cracking like old fashioned plastic pants.
- Stretchy, soft lycra bindings
- Needs special attention in laundering – wash in lukewarm water, air dry only.
